Change Parent PLUS Refund Authorization - PLUS loans are automatically applied to the tuition and fee bill to pay for allowable charges of tuition, fees, and on-campus room and board (if applicable). If funds remain after the bill is paid, indicate how you would like the refund issued.

I authorize the release of ALL excess PLUS loan funds to the student

I DO NOT authorize the release of ANY excess PLUS loan funds to the student, send me any refund via check. (Checks mailed to the parent take approximately 2 weeks to process.)

Change Non-Allowable Charges Authorization – The parent can authorize whether or not they wish to allow the Parent PLUS loan funds to be applied toward non-allowable charges, such as health insurance, lab fees, parking permits, late charges, student-opted fees, etc.

Yes, I authorize the use of excess PLUS loan funds to pay other charges on the bill, I understand this authorization can be cancelled or modified at any time by submitting a written request.

No, apply my PLUS loan to allowable charges only and my student will pay the rest of the bill on time.
