Greetings!

As we prepare to receive students for the *2022 Athletic and Auxiliaries Camp, August 8-19, 2022*, which is open to all students interested in fall sports and the auxiliaries; I wanted to remind you of a few important items:

- Upon arrival to the campus; all students will be tested for COVID-19. There is no fee for the test nor is insurance required, however testing mandatory. Also, Vaccines will be offered for those who have not been vaccinated.
- All students participating in the camp must be fully admitted to the college, which includes all required documents having been submitted (official transcripts from High school and all college/universities, medical forms, proof of meningitis shots, immunization records, as well as a social security card). ***Please note that all official transcripts must be received by the college prior to the student's participation in the camp;***
- All students must have an updated Physical signed by a medical doctor prior to participating in the camp; and
- Texas College is a member of the *National Association of Intercollegiate Athletics (NAIA)* which requires all student athletes to register with their NAIA Eligibility Center. Simply visit their website at www.playnaia.com to register.
- ***All students will be allowed to move-in the dormitory on Monday, August 8, 2022; there will be absolutely no early move-in on the weekend! There will be No Saturday or Sunday move-ins.***
