

OFFICE OF BUSINESS AND FINANCE

Dear Student,

As Texas College comes into a new Academic year, I would like to thank you for choosing to continue your education with us. The Texas College community is aware of the financial challenges that many of our students and their families are dealing with, and we are making every possible effort to ensure that your time and money is well spent. To that effort, we have implemented the following:

- **Assessment Fees for the Fall 2020 Semester Have Been Reduced.** For the fall 2020 semester students can expect to see a reduction in the amount of money that is paid towards assessment fees. Students will not be charged for activity and facility fees. Technology, health, and library fees will remain the same and will not increase. Additionally, the collection of parking decal fees and student ID replacement badge fees has been suspended for the fall semester.
- **Laptops Will Be Available for Students Use.** In an effort to ensure that all students have technology that is necessary to complete their online courses, Texas College has arranged for students to request the use of a laptop. Students who receive a laptop will be charged a deposit fee of \$250.00; the fee will be removed from the account at the end of the semester, when the laptop is returned.
- **Institutional, Athletic Scholarships Will Be Issued for the Fall 2020 Semester.** Students who are enrolled at Texas College and participate in an Athletic sport or extracurricular activity such as Choir or Band may qualify to receive a scholarship for the fall 2020 semester. Inquiries about scholarship opportunities should be made with the Financial Aid office (financialaid@texascollege.edu).
- **Account Assessment and Counseling for Returning Students.** Students who are returning to Texas College for the fall 2020 semester, who have experienced financial challenges in the past that may delay re-enrollment are strongly encouraged to contact our Business Office as soon as possible. You may email the Business Office at BusinessOffice@texascollege.edu or you may contact our Accounts Receivable Coordinator at (903) 593-8311, ext. 2274.

The Business Office looks forward to working with you during the 2020-2021 school year and prays that you and your family continue to remain safe during these challenging times.

Warm Regards,
Ms. Millicent L Rickenbacker, MBA
VP of Business and Finance
