

Hall of Giving: Laying the Foundation for the Next 126 Years

The *Hall of Giving: Laying the Foundation for the Next 126 Years* is an ongoing initiative to benefit Texas College's needs annually. Your participation in the campaign is an opportunity to leave a permanent mark on the 126-year-old campus of Texas College. Your nameplate will be placed in Martin Hall for all visitors on campus to observe your philanthropic gift. Your donation will afford the inscription of a nameplate message to show your support for the College and its 125 year legacy; honor a graduate; remember a loved one; display a group; recognize a special occasion; or pay tribute to someone who has made a lasting impression on your life.

This year's fundraising efforts will benefit Texas College's need for campus renovations and deferred maintenance in a variety of avenues. Your gift will help ensure that Texas College functions at the highest of calibers to effectively serve its students best by providing the educational environment they need. In doing so, students will be more apt to graduate and become active productive members of society where they live and work. Upon the fiscal year's end, a plaque will be mounted next to sponsors' names, depicting the gift's impact and use by the College.

Sponsorship Levels

\$500 Infinity Sponsor:

16"x16" nameplate

\$250 Legacy Sponsor:

8"x8" nameplate
