

MISSION STATEMENT

Texas College is a Historically Black College founded in 1894, by the Colored Methodist Episcopal Church, now the Christian Methodist Episcopal Church (CME). Our mission continues to embody the principles of the Christian Methodist Episcopal Church. The College shall prepare students with competencies in critical and creative thinking related to the knowledge, skills and abilities as defined in the areas of study using different modalities of instruction. Additionally, the College shall provide an environment to inspire intellectual, spiritual, ethical moral and social development, which empowers graduates to engage in life-long learning, leadership, and service. (Restated and approved by the Board of Trustees, October 24, 2024).

CORE VALUES

To address the mission, the College incorporates the core values of:

Academic Excellence - Developing a culture of curiosity and creativity that will challenge the frontiers of teaching/learning; stimulate research; raise the level of analytical reasoning and inquiry; and enable students to acquire leadership, human relations, communication, and technology skills.

Integrity - Instilling the pursuit of character, honesty, and sincerity of purpose as the moral rubrics upon which the behaviors of our graduates and College family are anchored.

Perseverance - Implanting diligence, enterprise, and pride in the application of skills, knowledge, and abilities developed during the course of study at Texas College.

Social Responsibility - Promoting in the College community a conscious awareness that we are all stewards of the resources entrusted to our care.

Tolerance - Emphasizing openness to divergent points of view, applying an eclectic approach to rational and analytical thinking.

Community Service - Encouraging self-extension in service to others as the heart and soul of our educational enterprise.

VISION STATEMENT

Texas College - a creative, culturally diverse, inclusive environment, preparing students who aspire to be purpose-driven, financially secure and marketable leaders.

BUSINESS ADMINISTRATION

BUSINESS ADMINISTRATION AT TEXAS COLLEGE

The Texas College Business Administration program embraces professionals who are:

- Integral to the academic preparation of students;
- Deliberate in teaching (and learning) that leads to content maturation and personal development of learners; and
- Passionate about the skill development and readiness of students for entry into the job market and/or graduate school.

PROGRAM MISSION

The mission of the Business Administration program is educating the whole individual. We strive toward a balanced intellectual approach in teaching character, values, and technical knowledge and skill in the various disciplines of Business Administration. We aim at enabling our business students to be value-productive and more marketable in their pursuits.

PROGRAM VISION

The vision of the Business Administration program is highly correlated with the Texas College vision, which aims at establishing an environment that embraces a culture of learning. Such a culture addresses the teaching and learning process that undergirds academics, services and supports that are beneficial to our students, the broader community, and our stakeholders at large.

PROGRAM GOALS

To provide professional education and qualities of leadership essential to those who aspire to positions of responsibility in business, government, education and community service.

PROGRAM OBJECTIVES

1. Students completing the baccalaureate program in business will acquire in-depth knowledge and skills in becoming leaders in business, government, education, and the community.
2. Graduates of the business program will gain sufficient preparation for and be successfully employed in careers in business.
3. Baccalaureate graduates will have sufficient preparation to gain admission to graduate schools.

4. Business graduates will have achieved sufficient exposure and training in the area of business ethics.

5. Adult learners in the distance learning (online) Business Administration program will be able to write qualitative papers, which will reflect a good understanding of business concepts and practices.
