

“Celebrating 127 Years”

Office of the President

July 21, 2021

Dear Returning Student:

I pray that all is well and that you are preparing for your return to complete your educational program. Although we have experienced some unprecedented circumstances this past year, the administration, faculty and staff look forward to your return for the 2021-2022 school year.

Please be informed that as we prepare for your return, we are doing so with “special” measures in place to continue to guard against the coronavirus. Your safety and protection remains of importance to us as we plan for the upcoming school year; along with our commitment to ensure that we assist with the completion of your education in a timely manner.

To facilitate your enrollment and registration, you may go online now at www.texascollege.edu and register for virtual and/or face-to-face offerings. You may also complete your financial aid/scholarship application online and be prepared for the start of classes on September 8, 2021.

Thank you in advance for your return to Texas College. And, may God continue to keep you safe and bless you and your family richly.

Sincerely,
Dwight J. Fennell
President
