- Books/Supplies:** A total of \$1,200 is budgeted for books and supplies for students enrolled in at least 12 credits in both the fall and spring semesters. Student budgets can be increased for required books and supplies over this amount. Submit receipts for semester charges or letter from professor regarding required supplies.
- Medical Expenses:** Student budgets can be increased for certain student medical expenses paid during the school year. Submit supporting documentation (including receipts).
- Other expenses:** In some cases student budgets can also be increased if there are other unusual education related expenses the student will incur during periods of attendance. Include supporting documentation (including receipts).

Increases in the Cost of Attendance (also known as student budget), if approved, typically only allow the student or parent to borrow more loans. Unless the increase will be met with a scholarship, you must provide proof that you reviewed your current federal student loan balance and complete a repayment calculation.

Required - Please attach the following with this form:

1. Proof of current student loan balance. Log in to <https://studentloans.gov> or https://www.nslds.ed.gov/nslds_SA/ with the FSA ID username and password you used to complete the FAFSA and print a copy of your "Financial Aid Review" (*not required if no current loan debt*).
2. Anticipated monthly student loan payment. Visit <https://studentloans.gov> and use the Repayment Estimator below Repayment Plans & Consolidation. Use your current loan balance plus the additional amount requested in your calculation.
