

MISSION STATEMENT

Texas College is a Historically Black College founded in 1894, by the Colored Methodist Episcopal Church, now the Christian Methodist Episcopal Church (CME). Our mission continues to embody the principles of the Christian Methodist Episcopal Church. The College shall prepare students with competencies in critical and creative thinking related to the knowledge, skills and abilities as defined in the areas of study using different modalities of instruction. Additionally, the College shall provide an environment to inspire intellectual, spiritual, ethical moral and social development, which empowers graduates to engage in life-long learning, leadership, and service. (Restated and approved by the Board of Trustees, October 24, 2024).

CORE VALUES

To address the mission, the College incorporates the core values of:

Academic Excellence - Developing a culture of curiosity and creativity that will challenge the frontiers of teaching/learning; stimulate research; raise the level of analytical reasoning and inquiry; and enable students to acquire leadership, human relations, communication, and technology skills.

Integrity - Instilling the pursuit of character, honesty, and sincerity of purpose as the moral rubrics upon which the behaviors of our graduates and College family are anchored.

Perseverance - Implanting diligence, enterprise, and pride in the application of skills, knowledge, and abilities developed during the course of study at Texas College.

Social Responsibility - Promoting in the College community a conscious awareness that we are all stewards of the resources entrusted to our care.

THE OFFICE OF STUDENT AFFAIRS

THE STUDENT IS...

...the most important person on the campus. Without students there would be no need for the institution. Not a cold enrollment statistic, but a flesh and blood human being with feelings and emotions like our own. Not someone to be tolerated so that we can do our thing. They are our thing. Not dependent on us. Rather, we are dependent on them. Not an interruption of our work, but the purpose of our work. We are not doing them a favor by serving them. They are doing us a favor by giving us the opportunity to do so.

STUDENT ACTIVITIES

It is the goal of Student Activities to partner with the College to foster active learning through co-curricular experiences.

CAMPUS SECURITY

Texas College’s campus security is a privately owned security force employed by Texas College, and working at the discretion of the President. The Security Department consists of a Chief of Security and several Security Officers. Security is responsible for traffic control, law enforcement, and security of the College. Security is on duty twenty-four hours a day, seven days a week and strives to serve the campus community in every way possible for safety, service and protection.

RESIDENCE LIFE

It is the goal of Residence Life to partner with College community members to enhance and establish new programs, services, and traditions that empower and transform student’s lives. There are currently three residence halls on the campus:

- Daniel Hall
- Fair Hall

CAMPUS MINISTRY

It is the goal of the Campus Ministry to foster spiritual growth through worship and prayer, reflection and service, and education and faith formation.

BAND & CHOIR

The Texas College Band and the Texas College Choir are two of the best kept secrets in East Texas. Both programs engage and actively recruit students to make the Texas College fine arts experience superb in all facets. The Texas College Marching Band, referred to as the “Marching Stampede,” and the Texas College Choir are both class acts within the Texas College community, as well throughout the region and beyond.
